

WOOL EXPLORATION FIELDNOTES:

Date:

Breed:

Weight (lace, 4ply, DK etc)	Brand & Colour (if known)	Preparation (Worsted, woollen, semi-worsted spun?)	Needle/hook No. of Stitches, Pattern used	Is the wool hand-spun?	Is the wool grown/spun in UK

Observances in swatching: Hand-Squish-Grab, Feel of swatch whilst making, initial thoughts on use, etc

Size of cast off swatch:

Washing method:

Wash, Block, Wear Test 1: Block. Once dry, wear next to skin for a day. Note your observances

Size of blocked swatch:

Wash, Block, Wear Test 2: Repeat. Has it changed at all? How? Distress the swatch. Does it pill?

Size of blocked swatch after 2nd wash

Final Assessment: How has the wool tested? What would the yarn be suited to? Will you use this breed again?
